**ORDER OF DISMISSAL**

---

On April 21, 2016, the parties' mediator filed a Mediation Certification (ECF No. 41) under seal, stating that the parties had reached a settlement. On May 16, 2016, the Court entered an order and found that the Mediation Certification satisfied Local Rule 83.13's notice of settlement requirement. The Court also ordered the parties to file a stipulation of dismissal pursuant to Local Rule 83.13 no later than May 31, 2016. The Court advised the parties that a failure to submit their stipulation by that deadline would result in the Court considering dismissal of the case without further notice. The parties did not file a stipulation within the time allowed by the Court.

In light of the parties' settlement, this matter is hereby dismissed with prejudice. The Clerk of Court is directed to enter judgment.

**IT IS SO ORDERED.**
